Approved _____ Denied _____

Signature of Dean

Date

In addition to the hours students perform at their internships and whatever else their advisor requires, the Honors College additionally requires students to keep a daily journal that: (1) describes what they did and learned in their internship; (2) reflects on how their coursework did or did not prepare them for the experience; and (3) describes and reflects on current professional literature that they are reading on the area of their internship.

*Other Honors College requirements are Honors English, Honors Western Civ, Calculus (MATH 120), a 200-level Math class, a 3-credit hour Independent Study, and a 6 credit hour Bachelor's Essay. Some of these requirements may be satisfied with AP credits.
