GENERAL EDUCATION STUDENT LEARNING OUTCOMES WITH COURSE LIST

The Registrar now has very specific syllabus requirements for all classes. In particular, faculty must list all of the student learning outcomes (SLOs) associated with a course on their syllabus. The following document will help you locate the general education SLOs associated with your course. Please refer to the Honors Student Learning Outcomes document for honors SLOs which are required for each syllabus.

*All courses that satisfy general education courses must include a signature assignment. Signature Assignments for each category can be found [here](#).
